

STATE OF NORTH CAROLINA
BOARD OF CHIROPRACTIC EXAMINERS

Please Return Completed Form To: 174 Church St., North
Concord, NC 28025

Name: _____

Address: _____

North Carolina will allow reciprocity with other states which have similar licensing laws as North Carolina.

The Board is required to satisfy themselves of the applicant's proficiency, and as a result, reciprocity candidates undergo a practical examination in Clinical Diagnosis and X-ray Pathology. This information enables the Board to decide whether or not the applicant is a competent practitioner.

With the ever changing chiropractic statutory regulations, it is increasingly difficult to determine whether a given state has similar licensure laws. Therefore, this form is provided to assist in this determination.

Please have the secretary of the Board in the state from which you are applying complete and certify it with the Board's seal. After receiving this information, we will advise if you can be accepted by reciprocity.
